

IMPORTANT INFORMATION

CLOSING OF SCHOOL DUE TO INCLEMENT WEATHER

In case of weather conditions which require the closing of school, the official announcement will be made over the local radio/TV stations - WSGS and WYMT. We want to make parents and students aware of another option that is available. Visit <http://www.wymt.com/textalerts> and follow the on-line instructions to sign up for closing and delay/dismissal alerts. This service is available to both AT&T and Appalachian Wireless Customers, as well as several other service providers. This service is NOT provided for free by the school system. If your cell plan does not include free text messaging, there will be a per use charge for each text message alert that is received. Check with your cell phone provider for further information regarding fees for text messaging. You may also check the district website at www.hazard.kyschools.us. Do not call the school or school officials to ask about school closings. Announcements will be made as soon as possible via the radio/TV.
